TECHNOLOGY SUPPORT PROGRAMME

AGREEMENT

Between
Substantiable Ecology & Village Advancement (SEVA)
and
Participating Organisation

Agreement Date	Place of Execution	Agreement Reference No.
		SEVA/TSP/_____

PARTIES

FIRST PARTY — Technology Support Providing Organisation

Name: Substantiable Ecology & Village Advancement (SEVA)

Registered Address: 31, B, Jalka, Ralegaon, Yavatmal, Maharashtra 445402

Authorised Representative: Mr. Rasul Sheikh

Designation: Director

Hereinafter referred to as "SEVA".

SECOND PARTY — Technology Support Receiving Organisation

Name of Organisation: _____

Registered Address: _____

Authorised Representative: _____

Designation: _____

Registration Number: _____

Hereinafter referred to as the "Participating Organisation".

SEVA and the Participating Organisation are hereinafter collectively referred to as the "Parties".

1. PURPOSE OF THE AGREEMENT

This Agreement is entered into to strengthen the technical capacity of the Participating Organisation, promote effective use of digital technology in its operations, improve information management, and equip its team with required technical skills.

Technology support will be provided after assessing the Participating Organisation's needs, available resources, existing digital systems, organisational priorities, and technical challenges.

2. SELECTION AND PLANNING PROCESS

2.1 The Participating Organisation has been preliminarily selected for the first phase of the Programme.

2.2 Before final selection, SEVA will conduct a meeting or discussion with the Participating Organisation.

2.3 The meeting will assess technical needs, existing systems, digital workflows, information-management requirements, and training needs.

2.4 SEVA will decide final selection based on this assessment.

2.5 After final selection, the Parties will mutually finalise a detailed work plan, priorities, implementation schedule, and expected outcomes.

3. SCOPE OF TECHNOLOGY SUPPORT

Subject to the approved work plan, SEVA may provide the following support:

- Website development, improvement, maintenance, and technical guidance.
- Management Information System (MIS) and digital information management.
- Planning, development, or implementation support for mobile or web-based applications.
- Social-media and digital-communication training.
- Digital capacity building for staff and relevant personnel.

SEVA is required to provide a maximum of three (3) services from the above scope. All services will not necessarily be provided simultaneously. The actual services, scope, and deliverables will be as per the work plan approved in writing by both Parties.

4. FINANCIAL TERMS

Item	Terms
Total annual programme cost	As per the approved programme budget
Participating Organisation's contribution	30% of annual programme cost
Contribution amount	
SEVA-supported portion	70% of annual programme cost
Nature of SEVA support	Technical services, guidance, training, and capacity building
Cash assistance / grant / donation	Not applicable
Payment method	NEFT to SEVA account
Payment deadline	Within one (1) week of signing this Agreement
Programme duration	Three (3) months

4.1 Additional costs for requirements outside the approved programme scope will require prior written approval of both Parties.

4.2 Any change to the programme scope or cost will be effective only after written agreement by both Parties.

4.3 The 70% SEVA-supported portion represents the value of technical and direct support and is not a cash transfer to the Participating Organisation.

5. RESPONSIBILITIES OF SEVA

- Assess the technical needs of the Participating Organisation.
- Provide technology guidance, support, and capacity building as per the approved work plan.
- Assist with technical planning and implementation.
- Provide training and support to resolve technical difficulties.
- Coordinate periodic progress reviews.

- Communicate approved services and deliverables to the Participating Organisation.

6. RESPONSIBILITIES OF THE PARTICIPATING ORGANISATION

- Provide required information regarding technical needs, priorities, and existing systems.
- Appoint a coordinator or responsible staff member for programme implementation.
- Ensure participation of relevant staff in meetings, trainings, and technical discussions.
- Provide information, documents, and feedback within agreed timelines.
- Deposit the agreed financial contribution on time.
- Use developed digital systems appropriately and train relevant staff.
- Maintain confidentiality and information-security standards for beneficiary and organisational data.

7. CONFIDENTIALITY AND DATA PROTECTION

- Both Parties shall protect confidential organisational information received during the Programme.
- Beneficiary personal information, contact details, photographs, field records, and other sensitive data shall be used only for authorised programme purposes.
- Any use of such information for other purposes or disclosure to a third party shall require necessary consent and compliance with applicable laws.
- Both Parties shall implement reasonable security measures to prevent unauthorised access to digital systems.

8. MONITORING, REVIEW, AND REPORTING

- Programme progress will be reviewed at mutually agreed intervals.
- Reviews will cover work-plan progress, training, developed systems, and pending activities.
- Both Parties shall cooperate in preparing required progress reports and programme documentation.

9. TERM AND RENEWAL

Clause	Details
Effective date	____ / ____ / _____
Initial term	_____ years / _____ months
Renewal	Requires written consent of both Parties
Financial and implementation terms	As per the approved work plan for the applicable term

10. AMENDMENTS

Any amendment to the terms, scope, financial provisions, or implementation method of this Agreement shall require prior written consent of both Parties and shall be recorded in a written annexure or supplementary agreement.

11. TERMINATION

- Either Party may terminate this Agreement by giving at least thirty (30) days' prior written notice to the other Party.
- In case of a material breach, the affected Party shall issue written notice and allow a reasonable period for remediation before considering termination.
- Upon termination, both Parties shall mutually settle completed work, pending obligations, financial dues, and transfer of information.

- Termination shall not extinguish valid financial or other obligations already incurred.

12. DISPUTE RESOLUTION

Any dispute arising under this Agreement shall first be resolved through mutual discussion. If unresolved, the Parties may pursue appropriate legal remedies under applicable law.

13. GENERAL PROVISIONS

- This Agreement is made with the mutual consent of both Parties.
- It becomes effective on the date of signature by both Parties or on the commencement date stated above.
- Matters not covered herein may be addressed through separate written agreements mutually accepted by both Parties.
- Both Parties confirm that they have read, understood, and voluntarily accepted all terms of this Agreement.

14. SIGNATURES

IN WITNESS WHEREOF, the Parties have executed this Agreement on the date first written above.
